**Congratulations to Dwayne from The Mount Shop** (the tall man on the left!) who is the winner of a Jumbuck BBQ package for our Survey 2006 draw!

Thank you to all who responded, the results have been very heart-warming and reflect the energy we all put in to being the best urgent courier company in our industry.

So what were the results of the survey? Have a look below!

A sincere thank you to all from the management and staff at Inter City Urgent!

Our team have been collating and addressing each point raised by our clients who responded. We expect this will take until mid-December to respond to everyone so do not be surprised when your phone rings!
